PETITION TO REDIRECT MILITARY SPENDING

TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED

We the undersigned residents of Canada draw to attention of the House the following:

THAT the Harper Government plans to spend $490 billion in military spending over the next 20 years;

THAT more than $18 billion has already been spent on the war in Afghanistan;

THAT, in the context of economic uncertainty, rising poverty and the climate change crisis, that money allocated to military spending be redirected and used to:

- Expand Employment Insurance
- Provide affordable housing for all Canadians,
- Abolish tuition fees,
- Develop a national program to address the climate change crisis, aimed at achieving the KYOTOplus targets for greenhouse gas reductions,
